

Approved Electrician, Home Start
Full Time Permanent
40 hours per week
Monday - Friday 08:00am- 16:30pm
£30,775.71 per annum

ClwydAlyn is a registered Social Landlord operating across 6 counties in north and mid Wales. Customers are at the heart of everything we do. We have a culture of hard work and success, aiming high and achieving great things for our customers whether they are colleagues, residents in housing, older people in care homes, young people in supported living projects, the homeless or women in need of support.

Everything we do is based on our values of Trust, Kindness, and Hope. We are looking for someone that lives and breathes these values!

To support our journey, we are looking for an experienced Approved Electrician to join our team. The ClwydAlyn Electrical department is an ever growing and thriving environment, of which has a very proactive approach to both responsive maintenance and planned electrical programmed works. The team is going through a time of growth and is looking for positive and proactive people to help promote our ongoing commitment to delivering a top-quality service to the residents & communities we support.

You will be helping to lead and develop our Electrical team to aide us implement our new maintenance objectives ensuring a clear approach to maintaining our homes and properties where we are recognised for our innovative working, forward thinking and friendly/caring style.

You will embrace a flexible working approach to deliver both planned and reactive work that provides the best value to our people, residents and stakeholders ensuring they receive a quality, tailored service.

We welcome applications from you if you wish to work on a job share basis or part time and have a flexible approach in terms of working arrangements to suit your needs. Please feel free to contact me if you wish to talk this aspect through further. Please take a look at the overview of the role on our website; if you are interested and would like to understand more, please contact me, nigel.charman@clwydalyn.co.uk.

The key responsibilities of an Approved Electrician include:

- To work efficiently and effectively as part of our Electrical Department carrying electrical works in the following area: - Planned Kitchen & Bathroom Upgrade Programme, Planned Electrical Heating Upgrade Programme, Planned Electrical Testing & C2/C3 Programme, Electrical Responsive & Emergency Repairs, Electrical Void Testing/Upgrade works
- To ensure that a high standard of electrical works is carried out without exception.

- To offer resident focused support utilising ClwydAlyn's core values of 'Trust, Hope and Kindness'
- To support fellow operatives with either technical knowledge, guidance and physical support.
- To ensure all electrical testing is carried out and completed to both a safe and high standard. Along with all required certification.
- To help support/mentor/train/guide operatives that are under your supervision and control, in carrying out electrical works to both a high standard and adequate electrical safety.

Who we are looking for:

- An enthusiastic, well organised individual who has the ability to listen and communicate proactively, whilst focusing on customer needs and satisfaction.
- A person who can manage their own workload and the workload of others, as well as be able to prioritise jobs accordingly.
- Someone who can carry out all work to an excellent standard, comply with BS7671 guidance, current building regulations & most importantly be able to think on their feet/outside the box.
- You will have experience of working within the housing repair and maintenance sector.
- You will have an understanding of Health and Safety issues related to working within occupied domestic properties.

Essential Requirements for the role:

- You will hold a clean full driving licence.
- EAL Level 3 NVQ - 18th edition, Diploma in Requirements for Electrical Installations BS7671.
- You will hold C&G 2391.18th Edition or 2394 and 2395.
- You will hold C&G 2382. 18th Edition.
- Have good IT skills and competency. Training will be provided on company specific IT systems.
- Have the ability to complete electrical test certificates electronically.

For this role you will require an enhanced DBS check, which we pay for.

Why work with ClwydAlyn?

At ClwydAlyn, we offer a great benefits package including membership of SHPS pension scheme with employer matched contributions to 8%, cycle to work scheme, eye care vouchers, 25 days holiday plus Bank Holidays on joining, increasing to 30 days plus Bank Holidays after 5 years' service, life assurance, EAP programme, as well as a comprehensive training package all in a values-based organisation with a great culture!

To apply, please send your CV and expression of interest to peopleteam@clwydalyn.co.uk explaining why you want the role, including how you meet the criteria to be considered for this position.

The closing date for applications is 29th November 2021.
