

Assistant Practitioner, Merton Place, Colwyn Bay
37.5 hours per week, Full Time, Permanent
£11.57 per hour

ClwydAlyn Housing is a well-established and respected provider of housing and related services across North Wales, where people are at the heart of everything we do.

We are on an exciting journey which will see us implement a new business plan focused on tackling poverty across North Wales where we provide our homes and services. Everything we do is based on our values of Trust, Kindness and Hope. We are looking for someone that lives and breathes these values!

An exciting development opportunity has arisen at Merton Place Nursing Home with the role of Assistant Practitioner.

About Merton Place:

Merton Place provides a friendly, warm and caring environment for older people, requiring residential and nursing, including palliative care. As one of the latest and best Care Homes in the whole of North Wales, Merton Place is truly a 'five star' facility, purpose-built to provide the very highest levels of 24-hour care and support.

Set in picturesque gardens in a quiet residential area in the heart of Colwyn Bay. Merton Place is well placed just off the A55 expressway and close to all local amenities.

Our well-equipped bedrooms are bright, safe and comfortable. Our Chefs pride themselves in knowing the preferences and needs of our residents and prepare good quality, nutritious and well presented meals.

We believe in promoting independence with support on hand when required and recognize that everyone is different, with different interests, so there is plenty of space with lounges on each floor, enabling residents to socialise if they wish, or do their own thing.

What we are looking for:

You will be responsible for supporting the delivery of nursing, personal and social care needs required by each resident. Working under the leadership and direction of the Care Home Manager, Deputy Manager and Registered Nurse, the Assistant Practitioner will work within all aspects of the nursing process.

The successful applicant will be a high performing professional who is a committed team player, can demonstrate a flexible working attitude and has the relevant experience of delivering personal care in a hospital or nursing care home setting at SCA level.

A training development programme will be provided and there is a requirement to already have achieved a Level 3 qualification in Health and Social Care or Management, as a minimum, with some practical experience and a Commitment to work towards a level 5 Diploma.

For this role you will require an Enhanced DBS check, which we pay for.

Why work with ClwydAlyn?

We offer a range of benefits including 25 days annual leave, life assurance, matched pension contributions, EAP scheme and a range of voluntary benefits.

To apply, please send your CV and expression of interest to peopleteam@clwydalyn.co.uk.

Closing date for applications will be the 21st October 2021.
