

**Adaptations Officer**  
**£34,550 per annum**  
**37 hours per week permanent**  
**Saint Asaph/homebased**

ClwydAlyn is a thriving North Wales Housing Association striving to tackle poverty across North Wales. We have an ambitious plan to grow our stock with 7500 new properties by 2025. We have already grown our new homes by 700 in just the last few years and 889 are just about to start, we are on the journey!

Here at ClwydAlyn, we are dedicated to providing a fully inclusive service where differences are celebrated, and our residents feel supported and valued. In order to achieve our vision for authentic and meaningful inclusion, we have created an exciting new role, Technical Adaptations Officer, within our Development Team. The successful candidate will support the delivery of adapting our current stock to meet the physical needs of their existing resident. This will enable residents to live independently in their own homes, supporting both physical health and wellbeing. With half a million pounds a year from the Welsh Government to support this programme, the Technical Adaptation Officer will be crucial to delivery.

As a Technical Adaptations Officer, you will be working with the Development Team providing advice, support and technical knowledge to solving the practical problems of customers and carrying out the adaptations process from inception to completion. The successful candidate will be able to design, procure and manage the physical adaptation and building works to the properties and be experienced in using design packages such as CAD.

Why work with ClwydAlyn?

We are a passionate, values-based organisation, and we really do make a positive difference in the communities we support in North Wales. We also have a lot to offer our internal teams too. Membership of the pension scheme with employer matched contributions to 8%, 25 days holiday (increasing to 30 with length of service) plus bank holidays, Life Assurance, EAP programme, eyecare vouchers, cycle to work scheme, career development and many more benefits. As a member of the Working Families group we have a flexible approach to working and we are happy to discuss flexible working requests that will support you to have a positive work-life balance.

If you would like to discuss this role further please get in touch with [peopleteam@clwydalyn.co.uk](mailto:peopleteam@clwydalyn.co.uk), or if you would like to apply please send your CV and covering letter to [peopleteam@clwydalyn.co.uk](mailto:peopleteam@clwydalyn.co.uk).

**For this role you will require an Enhanced DBS check, which we pay for.**  
**The closing date for applications is Friday 15<sup>th</sup> May 2022.**
