

Plumbing & Heating Engineer, St Asaph
Full time- Permanent
40 Hours per week
£29,217.00 per annum

Are you a qualified female or male Plumbing and Heating Engineer looking for a good work life balance?

Would you like 25 days paid holiday, with the opportunity to purchase more annual leave, receive up to 8% employer pension contributions, join a Cycle to Work scheme, receive eye care vouchers and many other company benefits? We are an agile working organisation and a member of the Working Families Group, truly living and breathing our values of trust, hope and kindness.

Our aim as a business is to beat poverty in the communities we support across North Wales and our Maintenance Department are vital in achieving this. As a Plumbing and Heating Engineer you will be part of our Plumbing and Heating Team within our Maintenance Department and you will be working across North Wales, from Flintshire to Anglesey and down to Welshpool. You will hold a clean full driving licence, have an NVQ Level 2 or equivalent, CEN 1, HTR 1, CKR 1 and CCN 1, CPA1, NVQ / City and Guilds.

If you are looking for a new adventure with a values-based organisation, striving to make a real difference in our community, with excellent company benefits, this might be for you. Why not give our Plumbing and Heating Manager, Nigel, a call on 07730 200431? Or to apply send your CV and/or an email explaining your experience to peopleteam@clwydalyn.co.uk.

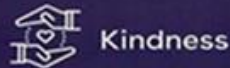

The closing date for applications is Saturday 8th January.
