

Plumbing & Heating Engineer, St Asaph
Full time- Permanent
40 Hours per week
£30,094 per annum

Are you a qualified Plumbing and Heating Engineer looking for a good work life balance?

We are looking for a Plumbing and Heating Engineer to join our Maintenance Team at ClwydAlyn.

Would you like 25 days paid holiday, with the opportunity to sell/purchase more annual leave, receive up to 8% employer pension contributions, join a Cycle to Work scheme, receive eye care vouchers, excellent enhanced maternity package and many other company benefits? We are an agile working organisation and a member of the Working Families Group, truly living and breathing our values of trust, hope and kindness.

The key responsibilities of a Plumbing and Heating Engineer:

- To work efficiently and effectively as part of our Plumbing and Heating Department carrying plumbing and gas works in the following area: - Planned Kitchen & Bathroom Upgrade Programme, Heating Upgrade Programme, Gas Servicing Programme, Responsive & Emergency Repairs.
- To ensure that a high standard of work is carried out without exception.
- To offer resident focused support utilising ClwydAlyn's core values of 'Trust, Hope and Kindness'
- To support fellow operatives with either technical knowledge, guidance, and physical support.
- To ensure all plumbing and gas work is carried out and completed to both a safe and high standard. Along with all required certifications.
- To help support/mentor/train/guide operatives that are under your supervision and control, in carrying out works to both a high standard and adequate gas safety.

Who we are looking for:

- An enthusiastic, well organised individual who has the ability to listen and communicate proactively, whilst focusing on customer needs and satisfaction.
- A person who can manage their own workload and the workload of others, as well as be able to prioritise jobs accordingly.
- Someone who can carry out all work to an excellent standard, comply with Gas Safe regulations, current building regulations & most importantly be able to think on their feet/outside the box.
- You will have experience of working within the housing repair and maintenance sector.
- You will have an understanding of Health and Safety issues related to working within occupied domestic properties.

**Minimum Requirements for the role:**

- You will hold a clean full driving licence.
- Recognised Trade Qualification –
- ACS including LPG = CONGLP 1 (Desirable)
- NVQ level 2 or equivalent
- Central Heating = CEN 1
- Fires = HTR 1
- Cookers = CKR 1
- Core safety = CCN 1, CPA1, NVQ / City and Guilds
- Energy Efficiency,
- Have good IT skills and competency. Training will be provided on Group specific IT systems.
- Have the ability to complete Gas test certificates electronically.

We welcome applications from you if you need a flexible approach in terms of working arrangements to suit your needs. Please feel free to contact me if you wish to talk this aspect through further nigel.blackwell@clwydalyn.co.uk or speak to me on 01745 536111.

If you are looking for a new adventure with a values-based organisation, striving to make a real difference in our community, with excellent company benefits, this might be for you. Or to apply send your CV and/or an email explaining your experience to peopleteam@clwydalyn.co.uk.

The closing date for applications is Sunday 5th June 2022.
