Job Overview

Approved Electrician

Working at ClwydAlyn

Working at ClwydAlyn

At ClwydAlyn, we value the expertise and dedication of our approved electricians, who play a crucial role in maintaining and enhancing our housing services. If you join us, you'll be part of a team that not only ensures the safety and efficiency of our electrical systems but also contributes to our broader mission of making a significant impact on the community.

Role Overview:

- **Technical Proficiency:** As an approved electrician at ClwydAlyn, you will utilise your practical electrical skills and technical supervisory knowledge to perform electrical installations and testing work independently. Your role requires you to carry out tasks without immediate supervision, showcasing your ability to manage and execute jobs efficiently.
- **Responsibility and Supervision:** You will be responsible for the completion of assigned tasks and, when necessary, supervise other operatives. This responsibility ensures that our projects are completed to the highest standards of quality and safety.
- **Career Progression:** At ClwydAlyn, career growth is a priority. Our approved electricians have opportunities to advance into supervisory and managerial roles. Additionally, many have successfully transitioned into other areas of the business, such as Compliance, Building Safety, and Asset Management. Your professional development is supported and encouraged within our organisation.

Why work for us – Benefits

As well as making sure staff have access to a free meal each day, other benefits include:

Health benefits

We offer a range of health related benefits including a Cycle to Work scheme, Eye Care scheme and Health Care Cash Plan.

We also offer a free and confidential counselling service to all staff.

Annual Leave

We offer 25 days plus bank holidays increasing to 30 days after 5 years' service.

Additional flexibility to buy and sell up to 5 days annual leave (pro rata).

Enhanced sickness pay

Enhanced sickness pay after 1 years service rising to a maximum of 3 months full pay, 3 months half pay.

In serious and life threatening situations we agree support on an individual basis.

Dedicated Wellbeing Support

We know that fostering high levels of wellbeing is good for people, the organisation and the communities we work within. We are committed to creating positive, flexible working environments where individuals and communities can thrive.

We have a dedicated Workplace Wellbeing Team and we provide a wide range of support and wellbeing-related benefits to support good mental, physical and social wellbeing.

Families are important

We offer 4 months full pay and 5 months half pay when on Maternity, Adoption or Shared Parental Leave.

We also offer an agile and flexible working environment to support families and carers.

Pension

Defined Contribution pension scheme with matched contributions (up to 8%) and death in service benefit 3 times your salary.

Financial wellbeing and support

We offer a range of support including access to savings and loans through a credit union, access to support from our in-house Welfare & Money Advice Team and access to a free lunch for all staff.

Learning & Development

Investing in the personal development of staff to reach their potential is our priority.

Through formal training, on the job learning, coaching and mentoring, we provide a learning environment that is supportive for each person to build skills that will help them be great in their job today but also enable them to grow a career with us for the future.

Core Functions

1. Efficiently and effectively execute electrical works in the following areas:
 - Planned Kitchen & Bathroom Upgrade Program
 - • Electrical Rewires/New Installations
 - • Planned Electrical Testing & C2 Program
 - • Electrical Responsive & Emergency Repairs
 - • Electrical Void Testing/Upgrade works
2. • Participate in the on-call rota (currently 1 week in every 6).
3. • Ensure all electrical testing is performed safely and to a high standard, including the completion of all required certifications.
4. • Support, mentor, train, and guide fellow operatives and those under your supervision to ensure high standards and electrical safety.
5. • Collaborate with the Electrical QS to ensure accurate recording and submission of inspection and testing results on the appropriate certificates or reports. • Conduct electrical installation condition reporting, including completion of relevant test certification in accordance with IEE wiring regulations.
6. • Complete other forms of electrical certification as required (e.g., emergency lighting, minor works/ installation certificates).
7. • Demonstrate competence in both domestic and commercial installations

Qualifications

- Suitable qualification in the inspection, testing, commissioning, and certification of electrical installations (e.g., City & Guilds 2391/2395).
- 2394/2395 or EAL equivalent
- Ability to interpret job drawings and specifications, establish necessary materials, and ensure correct job completion, potentially supervising other operatives.
- Ability to independently identify, present, and address faults and concerns in electrical systems without explicit direction.
- Minimum of two years' experience working as an Electrician.
- Commitment to continuous professional development (CPD)

About ClwydAlyn

ClwydAlyn was formed in 1978 as a non-charitable Registered Social Landlord and now manages over 6,500 homes and employs 760 staff. We deliver a range of housing management related services, which includes care and supported housing, development, and repair and maintenance services across North Wales (Denbighshire, Flintshire, Conwy, Wrexham, Powys, Gwynedd and the Isle of Anglesey).

Our homes and services include social family housing and single person accommodation, supported living accommodation and specialist care and nursing services, low-cost home ownership, leasehold management services and intermediate and market rented housing. The Group's turnover is £64m.

We are an ambitious Housing Association and very driven by our values and mission. We believe that it is wrong that there is still so much inequality and poverty across our region, and we know that this impacts every aspect of people's lives. We took a strong position to end evictions four years ago and we use our money and influence to do all we can to support those experiencing poverty and to champion for change across our country.
