Chirk Court, Wrexham

Nestled in a peaceful residential area of Chirk, Wrexham, Chirk Court offers a warm, welcoming and homely care home for people aged 60 and over.

The home offers dementia-friendly care for residents, across five carefully designed 'households'.

At Chirk Court, everything we do centres around promoting dignity and ensuring a high quality of life. Whether you're looking for a safe, supportive environment or simply peace of mind, you'll find a true sense of home here.

Our Experience

With over 3 decades of experience in delivering care, Chirk Court has built a strong local reputation for excellence and high-quality support.

Over the years our services have evolved

to meet the changing needs of our residents, including the addition of a dedicated dementia care facility.

Our purpose-built dementia unit features four bespoke EMH 'households', each accommodating 14 residents. These households are designed to create a safe, stimulating and nurturing environment, guided by the University of Stirling's internationally recognised principles for dementia-friendly design.

This forward-thinking approach ensures our care is not only rooted in experience, but also backed by evidence-based best practice, making Chirk Court a trusted choice for individuals and families alike.

Why choose Chirk Court?

We understand that choosing the right care home is about more than just the basics, it's about finding a place that truly feels like right for you or your family member.

Here's what makes us different:

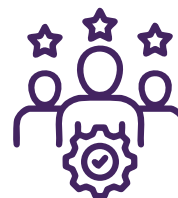

Individualised support

Every resident is unique and so is the care we provide. Our person-centred approach places each individual's preferences, routines and choices at the heart of their care plan, promoting independence while providing the right level of support.

Comfortable living, with community

Residents enjoy spacious, well-furnished rooms and access to comfortable communal lounges on each floor, perfect for socialising or relaxing in peace. Whether joining in with group activities or pursuing personal interests, everyone has the freedom to live life their way.

Expertise

Our team of experienced, dedicated professionals are passionate about what they do. From care staff to management, every member of the team is focused on creating a supportive, respectful and uplifting environment where residents thrive.

Specialist dementia support

Our specialist households provide carefully designed spaces that reduce anxiety, enhance orientation and promote meaningful engagement, all supported by staff trained in dementia-specific care.

Security, stability and peace of mind

With secure tenancies and long-standing staff, residents and their families can rest assured knowing that Chirk Court offers both continuity and stability, alongside 24-hour care and support.

Reviews

Review from J S (Friend of Resident)

"Chirk Court welcomed my neighbour as part of their family. He was diagnosed with dementia and his wife was finding it incredibly difficult to cope with her own problems as well as his. All staff are amazing, he is well looked after and feels safe whilst still retaining his dignity. The care given is second to none. He loves to have a walk in the garden and the new sensory garden is wonderful and very stimulating. Thank you."

Review from J E (Resident) assisted by family/friend

"Arrived here July 2023 after several falls and breaks ending up in hospital several times. Since being at Chirk Court I am pleased to say I am safe and protected. I am very relaxed and my family love coming to visit me. They enjoy both the orangery and gardens and so do I. I believe I am lucky to have found such a place to live. I am now 90 years old."

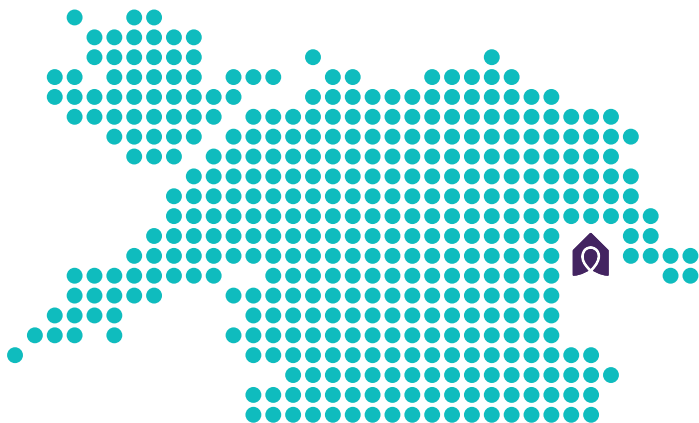

Review from Brad N (Grandson of Resident)

"My Gran is very well cared for at Chirk Court. She has a lovely sunny room and we also enjoy having a talk and a cup of tea in the orangery. All staff are very friendly and kind, supporting gran and she takes part in and enjoys many activities."
